Honorable Albert Gore
United States Senate
Washington 25, D. C.

Dear Senator Gore:

This is in response to your letter of September 16, 1960 concerning a letter you received from [redacted] under date of September 12, 1960 regarding the continuation of salary payments to Mr. Francis G. Powers. I am enclosing a copy of a letter I received from [redacted] under date of August 30, 1960 and my answer thereto of this date.

A copy of my answer to [redacted] is also being forwarded to Congressman J. Carlton Loser in response to a query received from him for advice on answering an identical letter he received from [redacted] dated August 31, 1960.

For the reasons which I am sure you will understand, my enclosed answer to [redacted] is as responsive as I feel I can be at the present time. I would request that you advise Mr. [redacted] that it will not be possible to provide an opportunity for him to review the terms of Mr. Powers' employment.

With kind regards,

Sincerely,
